10 *Reasons To Choose* INTEGRATED MEDICINE OF MOUNT KISCO'S *Longevity Program*

SOME GOALS OF OUR LONGEVITY PROGRAM:

- Weight Loss
- Improved Memory
- Lean Muscle
- Abundant Energy
- Faster Healing
- Maximize Immunity
- Improve Quality Of Life
- Sleep Better

- ☑ Over 35 years combined longevity experience from doctors who practice what they preach!
- ☑ Coaching with a planned approach from practitioners who are authors, media experts, researchers and clinicians.
- ☑ Develop your Metabolic Map with our bio-marker evaluations - proof that your approach is working for quality and length of life. Your entire body evaluated including; hormonal, pH, detox, immune, digestive, neurologic, muscles/joints, etc.
- ☑ Receive your Blood Detective Report comparing you to the "average" man/woman versus "healthy" people your age — we write the book on you that outlines action steps!
- ☑ Concierge approach — you get our doctors e-mails and cell phone numbers to forward your progress.
- ☑ Lifestyle coaching — how to eat, shop, sleep and exercise.
- ☑ Integrated approach gives you the choice of a natural, medical or combined approach.
- ☑ Bio-identical hormones, herbal, vitamins and dietary approaches based upon your bio-chemical uniqueness.
- ☑ Convenient testing in our office, your home or place of work — you choose!
- ☑ ABC World News Tonight, Channel 11 PIX, Fox National News, The Journal News, Channel 12 Westchester News, Baby Boomer Magazine, The Food Network, CNN and others call us up as nutrition and health experts.
